POLICY LETTER 05-10

From: Commanding Officer, Marine Corps Air Station, Cherry Point
To: Distribution List

Subj: COMMANDER'S CRITICAL INFORMATION REQUIREMENTS (CCIRs)

1. CCIRs are information that must be brought to the Commander's attention immediately (i.e., information that you would wake the CO to tell him).

2. The first contact should be with the Executive Officer who will verify the CCIR and direct further action (i.e., call the Commanding Officer, recall staff members, execute OPREP-3/SIR procedures).

3. CCIRs are listed below as: Priority Intelligence Requirements, Friendly Force Information Requirements, and Essential Elements of Friendly Information. Consider these CCIRs common to MCIEast and MARFORCOM.

4. Priority Intelligence Requirements (PIRs)

a. PIR-1: Hostile Act or Physical Threat. Report terrorist attack, surveillance, assassination, physical infiltration, significant political/criminal subversion.

b. PIR-2: Hostile Information Threat. Report suspicious/hostile computer network activity that isolate MCAS Cherry Point facilities or tenants, impeded mission performance, or affect/place at risk MCAS Cherry Point systems or classified data.

c. PIR-3: Environmental Threat. Report environmental conditions such as destructive weather or epidemics that will have a significant and degrading impact upon MCAS Cherry Point and tenant command activities within the next 72 hours.

5. Friendly Force Information Requirements (FFIRs)

a. FFIR-1: Fatality or Hospitalization of Key MCAS Personnel. Report the injury or death of Station CO or XO,

Subj: COMMANDER'S CRITICAL INFORMATION REQUIREMENTS (CCIRs)

principal staff, or commander of a tenant organization (mission impact, media interest).

b. FFIR-2: Military Support to Civil Authorities. Report requests for military support to civil authorities by any MCAS Cherry Point directorate or command.

c. FFIR-3: Change in Security/Readiness/Protective Posture. Report changes in installation force protection condition (FPCON), destructive weather condition (DWC), information control (INFOCON) condition, or in the local/regional/national homeland security alert levels.

d. FFIR-4: Installation Readiness Degradation. Report when the Commander's overall mission assessment or any command task is degraded in assessment to "NO," (not mission capable) within the Defense Readiness Reporting System (DRRS) (this will be staff action during regular working hours).

e. FFIR-5: High Interest Reports. Report any mishap, incident or allegation of criminal activity with significant impact on security, safety, sustainability, damage to property or having great potential for public/media interest.

f. FFIR-6: Off Base Influence. Report any threat, activity or event (terrorist attack, natural disaster, widespread power outage, etc.) from the immediate community or an adjacent military installation that will have a direct impact on MCAS Cherry Point's mission, critical infrastructure or manpower.

6. Essential Elements of Friendly Information (EEFI)

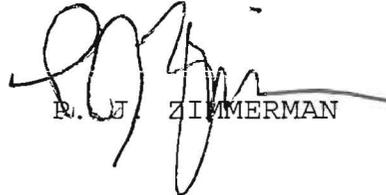

a. EEFI-1: Critical Infrastructure. Report degradations or threats to capabilities (ports, capabilities, railroads or bridges, etc.) that provide critical support to operating forces.

b. EEFI-2: Communications Systems. Report exploitation attacks against the design, configuration, and access policies and procedures for voice and digital communications systems aboard MCAS Cherry Point.

c. EEFI-3: Logistics Information. Report exploitation attacks against the schedule, quantities, and customer information for logistics functions.

Subj: COMMANDER'S CRITICAL INFORMATION REQUIREMENTS (CCIRs)

d. EEFI-4: Force Deployment Planning and Execution (FDP&E). Report exploitation attacks against the detailed training and deployment schedules for MCAS Cherry Point commands, tenant or visiting units that are training aboard MCAS Cherry Point in preparation to deploy.
