AIR STATION ORDER 6710.3K w/Ch 1

From: Commanding Officer, Marine Corps Air Station, Cherry Point
To: Distribution List

Subj: UTILIZATION OF MILITARY WORKING DOGS

Ref: (a) MCO 5585.5

1. Situation. Military Working Dogs (MWD) are a valuable asset available to unit commanders to help ensure good order and discipline. This Order establishes guidelines to request support of MWDs and for their employment aboard Marine Corps Air Station (MCAS) Cherry Point and within the surrounding community. Military Working Dog teams may be used to detect narcotics and explosives, to assist in maintaining security and discipline aboard MCAS Cherry Point, and to provide assistance in certain criminal investigations. The MWD teams may be available, upon written request, to tenant commands aboard MCAS Cherry Point, other East Coast military installations, and Naval and Coast Guard vessels. An Explosives Detector Dog and handler may be available to civilian authorities when life threatening or severe property damage conditions exist and release of a MWD team does not degrade support aboard the Installation.

2. Cancellation. AirStaO 6710.3J.
