AIR STATION ORDER 6600.2E

From: Commanding Officer, Marine Corps Air Station, Cherry Point
To: Distribution List

Subj: DENTAL HEALTHCARE PROGRAM

Ref: (a) MCO 6600.3B
(b) ASD (HA) Policy Memo 06-001 of 9 Jan 2006
(c) BUMEDINST 6600.18A
(d) MCO P1326.6D w/ Ch 2

1. Situation. To promulgate a comprehensive and clearly defined dental treatment program for Marine Corps Air Station Cherry Point (MCAS CHERPT) through which Commanding Officers may effectively satisfy their responsibility for the dental health and readiness of their units.

2. Cancellation. ASO 6600.2D.

3. Mission. Experience during past hostilities and extended deployments demonstrated a considerable loss of man-hours due to emergency dental care. Dental disease is controllable by current therapeutic measures. Therefore, early detection and implementation of corrective measures in advance of operational commitments and deployments will ensure that dental disorders do not adversely affect a unit's combat readiness.

4. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Dental health care resources will be prioritized and employed to maintain the dental readiness of deploying units and the dental health of individual Marines and Sailors within MCAS CHERPT. Operational Dental Readiness (ODR) shall be 100 percent for units deploying for extended periods of time and at least 95 percent for all units per references (a) and (b).

(2) Concept of Operations. MCAS CHERPT organizations are responsible for the overall dental health of personnel assigned and shall ensure that unit ODR is at or above 95 percent. Dental readiness is monitored by the Dental Readiness Coordinator (DRC) at 12th Dental Company, MCAS CHERPT. The DRC shall coordinate and prioritize resources to maximize dental readiness and promote oral health of MCAS CHERPT units.

b. Subordinate Element Missions

(1) Main Effort. MCAS CHERPT organizational commanders shall establish liaison with the 12th Dental Company aboard the Air Station and coordinate the scheduling of appointments. Positive action will be taken to ensure all scheduled appointments are filled within the limitations of operational requirements.

(2) Supporting Effort. The DRC, in support of MCAS CHERPT organizations, shall ensure that 12th Dental Company personnel are trained and resources are available to meet the dental treatment requirements of supported units.

c. Coordinating Instructions

(1) References (a) and (b) state that the ODR target of 95 percent of all Navy and Marine Corps units is a goal that must be maintained to ensure a healthy, fit force.

(2) Reference (c) sets dental classification guidelines.

(3) Reference (d) sets dental classification requirements for special duty assignments and independent duty.

5. Administration and Logistics

a. MCAS CHERPT Organizational Commanders. The DRC will provide MCAS organizational commanders with weekly dental readiness reports, or when required by the organization commander.

b. Commanding Officers of MCAS CHERPT Units

(1) Designate a Dental Contact Officer (DCO) /Dental Contact Staff Non-Commissioned Officer (DCSNCO) within their commands to conduct liaison with the servicing dental facility and to supervise the overall program.

(2) DCO/DCSNCO shall be designated in writing by their unit commander and a copy shall be forwarded to the DRC, 12th Dental Company.

c. DCO/DCSNCO. Establish a dental program, in coordination with the DRC, to meet the goals of this Order and meet the following requirements:

(1) Request access to the Corporate Dental System – Unit Classification View (UCV) and use the report features within the database to proactively monitor Class Three and Four personnel.

(2) Provide accurate personnel rosters of assigned personnel on request, and at least 60 days prior to scheduled deployments to 12th Dental Company.

(3) Provide scheduling support to ensure unit personnel are in compliance with dental appointments.

(4) Ensure that reporting personnel report to the dental facility for record verification and dental examination as part of the check-in process by notifying personnel prior to their annual dental examination date and use all available leadership tools to maintain zero Class Four unit personnel. In addition, actively monitor all Class Three personnel and ensure all have scheduled treatment appointments.

(5) Ensure that personnel nominated for Recruiting, Marine Security Guard, independent/remote or Drill Instructor duty receive dental treatment, and that adequate treatment time is allowed for those in receipt of such orders.

d. Dental Treatment Facility/12th Dental Company

- (1) Provide dental treatment on a continuing basis and as operational commitments dictate.
- (2) Provide essential dental treatment on a priority basis for dentally non-qualified, deploying, or alert force personnel.
- (3) Provide scheduling support to ensure unit personnel are in compliance with dental appointments.
- (4) Establish direct liaison with DCO/DCSNCOs to ensure that the unit's dental requirements are met by authorizing UCV access, and by providing training and readiness advice.
- (5) Provide scheduling support to ensure unit personnel are in compliance with dental appointments.

6. Command and Signal. This Order is applicable to MCAS CHERPT and its subordinate and tenant commands. This Order is effective the date signed.
