(4) Standard DD Form 1149
(5) NAVMC 10154

2. Cancellation. AirStaO 10121.1P.

3. Mission. The MCSS will provide clothing sales support to deploying organizations/units in order to maintain the combat readiness of those units. The MCSS, located in Building will be open during the following hours: 0800-1800 on Monday through Friday, 0900-1800 on Saturday, and 1200-1700 on Sunday.

4. Execution

a. Commander’s Intent and Concept of Operations

(1) Commander’s Intent. Marines and sailors, wherever stationed, must be ready to deploy at a moment’s notice and perform their duties as assigned. The MCSS is required to furnish military clothing and accessories to deploying units.

(2) Concept of Operations

(a) Only authorized patrons, as designated in reference (b), will be allowed access.
(b) No smoking is allowed in the store.

(c) No food or beverage on sales floor.

(d) Exchanges or refunds of clothing will be on an item for item basis and will only be authorized when the following criteria is met:

1. The customer has a receipt and the clothing has not been altered, marked, worn, and is ready for re-issue in all respects.

2. Clothing items that are defective to the extent that the appearance or serviceability is affected, may be replaced at no expense to the individual, provided the defective clothing or item is reported within 30 days of purchase and the defects were not caused by wear. The manager or supervisor in charge of the MCSS shall inspect the defective clothing to make the final decision.

b. Coordinating Instructions

(1) Personal checks drawn by the purchaser and travelers checks drawn in favor of the purchaser will be accepted as cash. Personal checks will be made payable to Marine Corps Community Services (MCCS) and will not exceed the amount of purchase.

(2) Credit cards are authorized for use. Those accepted are Visa, Master Card, Discover, and the Star Card.

(3) MCSS is a designated specialized retail-clothing outlet through which Marine Corps personnel based at MCAS Cherry Point may obtain individual uniform clothing from regular stock or by special order service.

(4) The store is limited to a 90 day stock level based on average sales and issues. Operating stock consisting of fast-moving and seasonal items are replenished daily. Because of low demand, some uniform clothing for female Marines is not carried in stock. The following guidelines are set forth to identify the procedures available to female Marines in requisitioning items of military clothing:

(a) Special Order. MCSS requisitions the clothing item upon request. Average response time is 14 to 21 working days, depending on availability.
(b) **Deposit.** All special orders require 100 percent deposit.

(5) Special order service is provided for items of uniform clothing not carried in stock. The size range of standard uniform clothing is sufficient to meet most requirements. However, special measurement clothing will be requisitioned for authorized personnel as required.

(6) Advance payment is required for special order items and special measurement clothing.

(7) **Items Temporarily Out Of Stock.** MCSS attempts to keep all standard Marine Corps clothing items on hand. However, when items are temporarily out of stock, individuals will be issued an Individual Clothing Shortage Form, enclosure (1), to certify that an effort was made to obtain their required allowance of individual clothing. The form is valid for a period of two weeks. It is the responsibility of the individual Marine to check again with MCSS.

(8) **Special Measurement Clothing**

(a) Special measurement clothing is those items manufactured to the specific measurements of an individual. It is authorized for those individuals who cannot be fitted properly with standard tariff sizes, supplemental sizes, or by authorized alterations.

(b) The preparation of special measurement clothing requisitions will be accomplished by MCSS personnel. A qualified tailor at the Tailor Shop will take measurements. Photos for special measurement must be taken prior to order placement at the Station Photo Lab.

(c) Individuals who have special measurement clothing on order will receive an Individual Clothing Shortage Form. Normally, 60 to 90 days are required for the receipt of these items. Therefore, personnel with limited time to serve at MCAS Cherry Point should not submit special measurement clothing requisitions.

(d) The MCSS will notify the individual when special measurement clothing is received. Upon notification, individuals are urged to promptly pick up their clothing. Clothing will be held for 15 days from date of notification or one pay period, whichever is longer, at which time appropriate action will be taken for
disposition of the clothing. In the event of transfer, individuals will submit a forwarding address to the MCSS.

(e) Future requisitions from individuals who fail to pick up the special measurement clothing will be required to submit a letter of request to the MCSS endorsed by the individual’s commanding officer.

(9) Special Order Clothing

(a) In addition to the special measurement clothing mentioned above, special order service is provided for expeditious procurement of items of individual clothing not normally stocked. Requests for special orders must be made in person at MCSS.

(b) Items requested will be requisitioned by MCSS from the appropriated supply source. Individuals will receive an Individual Clothing Shortage Form to certify that they have clothing on order.

(c) When special order clothing is received by MCSS the procedures and individual responsibilities set forth in paragraph 4b(8)(d) will apply.

(d) Future requisitions from an individual who failed to pick up the special order clothing will be governed by the procedures established in paragraph 4b(8)(e).

(10) Alterations

(a) Articles of outer clothing provided to individual enlisted personnel, except utility uniforms, will be altered at the Government’s expense when the sale or issue is affected. Subsequent alterations will be at the expense of the individual, except an alteration to outer clothing necessary during the first six months of service because of profile change, may be made at the Government’s expense.

(b) Authorized alterations are described in reference (c).

(c) Alterations will not be made to individual uniform clothing if the cost of such alterations is in excess of 50 percent of the standard price of the item.
(d) An Authorization for Clothing Alterations, enclosure (2), will be completed and signed by the manager or supervisor, then given to the individual purchasing the clothing. The Tailor Shop is the only authorized location for alterations. Upon completion of the authorized alterations, the signed form(s) will be retained by the Tailor Shop and returned to the Marine Corps Exchange (MCX).

c. Tasks

(1) Commanding Officers. Will be responsible for the following matters pertaining to individual clothing for personnel in their command:

   (a) Minimum Uniform Requirements

   1 Provide personnel with a current listing of the minimum requirements list as set forth in the Marine Corps Bulletin 10120 series.

   2 Conduct periodic inspections, at least annually, within their command to ensure that personnel have in their possession all the individual uniform clothing items required by the minimum requirements list and that these items are in serviceable condition.

   3 Conduct clothing inspections on new joins and immediately prior to their detachment.

   4 Advise personnel that the clothing maintenance allowance that they receive is for the replacement or repair of unserviceable or damaged clothing and is to be utilized for those specific purposes.

   (b) Clothing Requisitions. Ensure that the Combined Individual Clothing Requisition and Issue Forms (enclosure (3)) are prepared in accordance with reference (b) and signed by the commanding officer. If "By direction" is authorized, it will be indicated on the form by the individual signing the requisition. These requisitions will include the following information:

   1 Functionality account number

   2 Fund code
To prevent forms from being altered, they will be typewritten and lines drawn through the blocks in the quantity field that are not applicable. The forms will be submitted in quadruplicate. Requisitions not in compliance with the preceding instructions will be returned to the originating organization without action.

(c) Standard DD Form 1149 (enclosure (4)). Multi-use standard Requisition and Invoice/Shipping Document.

1 This form will be prepared in accordance with reference (b) and will identify each item by description and NSN and be typewritten and signed by the commanding officer or Supply Officer. These requisitions will include all appropriations data, an activity accounting code, cost code, and unit price.

2 The Standard DD Form 1149 will be submitted to MCSS in quadruplicate. The original, plus two copies, will be retained by MCSS for accounting purposes.

3 Requisitions not in compliance with the preceding instructions will be returned to the originating organization without action.

(d) Checkage Sales. Under the Clothing Monetary Allowance System, an individual is provided an annual cash clothing maintenance allowance that is to be used to pay for the replacement of clothing initially furnished in kind. The prescribed procedure for obtaining replacement clothing is on a cash sales basis. When purchase by cash sales would create a personal hardship, the checkage sales procedure is authorized. Because of the administrative expense and effort required to effect and process a checkage sale, commanders shall ensure compliance with the following specific guidelines:

1 The criteria for checkage sales requires that the individual request only those items necessary to meet minimum clothing requirements and that the purchase cannot be delayed until funds are available.

2 Checkage sales shall not be authorized if the individual is in a non-pay status, if the clothing sale is for less
than $50.00 or for personnel who are scheduled for separation within 90 days (checkages for less than $50.00 may be authorized for individuals who need clothing incident to confinement).

3 The requirement to make up clothing shortages for an inspection is not considered an emergency as per reference (b).

4 When a checkage sale is necessary a NAVMC 604/604b will be presented to MCSS in quadruplicate.

5 All checkage sales must have the word "Certified" handwritten in the space immediately following the words "checkage sales" in the "approved" block at the lower left corner of the NAVMC 604/604b to indicate that the approving section is in accordance with the preceding paragraph.

(e) Supplemental Issues. When a supplemental issue of clothing is requested from MCSS, the commanding officer will ensure that NAVMC 604/604b is accompanied by one of the following:

1 A copy of the orders assigning the individual to the organization.

2 A certification that the individual requires a supplemental issue.

(f) Recovery of Individual Uniform Clothing

1 Commanding officers will ensure that recovery of individual uniform clothing is in accordance with guidelines established by reference (b).

2 Clothing will not be accepted unless it has been inventoried and is accompanied by a Personal Effects Inventory Form (enclosure (5)) and cover letter. Unfit clothing items will be rejected.

(g) Name and Service Tapes

1 MCSS is the primary ordering service.

2 Form NAVMC 604/604b will be utilized for supplementary issue of the name tapes for camouflage utility uniforms.
to include enlisted Navy personnel assigned to Marine Corps units.

3 Sewing costs for supplementary issue only will be funded from local operation and maintenance funds, as appropriate.

4 Sewing costs for replacement tapes on an individual’s uniforms will be borne by the individual Marine.

(h) 782 Gear

1 782 gear is authorized for sale as replacement only to Active Duty military personnel.

2 No refund or exchange on 782 gear.

(i) Deferred Payment Plan (DPP)/Uniform Clothing Deferred Payment Plan (UCDPP)

1 DPP/UCDPP can be used by authorized military personnel and their family members to purchase military clothing.

2 Both accounts can be applied for at Customer Service, Marine Corps Exchange, Building 3918.

5. Administration and Logistics

a. The commanding officer will prepare the NAVMC 604/604b in quadruplicate. The MCSS personnel issuing the clothing will prepare form NAVMC 604 in quadruplicate. Distribution of the forms will be as follows:
