Subj: 2023 COMBINED FEDERAL CAMPAIGN

Encl: (1) 2023 Campaign Worker Guide

1. Situation. The Combined Federal Campaign (CFC) is the world's largest and most successful annual workplace charity campaign. Pledges made by Federal military and civilian donors during the campaign season support eligible non-profit organizations. As a result of mergers and consolidations to regionalize the CFC program, Marine Corps Air Station Cherry Point (MCAS CHERPT) is now part of the Carolinas CFC Zone 25.

2. Mission. Effective immediately, until 15 January 2024, MCAS CHERPT in conjunction with tenant commands will conduct an efficient fund drive that educates, fosters, and encourages 100 percent participation to promote and support individual philanthropy in support of the CFC.

3. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. This Command will conduct the 2023 CFC fund drive ensuring that 100 percent of the Service Members and civilians associated with MCAS CHERPT are aware of the mission and goals of CFC, and have the opportunity to support non-profit organizations that provide health and human service benefits throughout the world via charitable contributions.

(2) Concept of Operations

(a) 2023 CFC Open Season. The 2023 CFC Season began on 1 September 2023 and will close on 15 January 2024.

(b) Sequence of Events

1. 9 November 2023. Unit coordinator and key worker representative information provided to the MCAS CHERPT CFC Fund Managers, Captain Harmon, Station Adjutant, (252) 466-2540, or via e-mail: aaron.harmon@usmc.mil and Staff Sergeant Realegeno, Station Adjutant Chief, (252) 466-2840, or via e-mail: juan.gonzalezrealeng@usmc.mil.

Subj: 2023 COMBINED FEDERAL CAMPAIGN

2. Unit coordinators and key worker representatives are encouraged to review the "2023 Campaign Worker Guide" as outlined in enclosure (1). The Office of Personnel Management is currently working preparing online training which will be announced and located at <https://givecfc.org/campaign-workers/campaign-worker-training>.

3. Donors have three methods to contribute: online, via the mobile application, or paper pledge. The online CFC web-based donor pledging systems allows donors to contribute via payroll deduction, credit/debit cards, and e-Check options. By utilizing the mobile application method, donors can visit their cellular phone application store and download the "CFC Giving" Mobile App and follow the instructions provided. In an effort to reduce costs and in the spirit of the Paperwork Reduction Act (PRA), CFC is phasing out the paper pledge forms over the next couple years. As of this year, CFC does not provide the paper pledge forms. If a donor prefers this method, a CFC representative or key worker can download the form from the CFC website <https://carolinasfc.givecfc.org/campaign-resources#all>, and assist the donor by mailing it to the appropriate location.

(c) Tasks. The following commands located aboard MCAS CHERPT shall oversee the administration of this campaign for assigned units and subordinate commands:
