Cherry Point Notice of Training

MARINE CORPS AIR STATION CHERRY POINT, N.C. (Dec. 1, 2022) – Throughout December, MCAS Cherry Point and its outlying fields will have various units using the range areas for training.

Air operations will be conducted at Marine Corps Auxiliary Landing Field Bogue today, and again Dec. 14-15, until 11 p.m. Residents can expect to hear increased aviation activity.

Ground units will use Marine Corps Outlying Landing Fields Oak Grove and Atlantic Dec. 2-9. Residents can expect an increase in military vehicle traffic within the surrounding roads.

From Dec. 5-16, special boat teams will use MCAS Cherry Point's ranges, Bombing Targets 9 and 11 to conduct live fire training as late as midnight.

Additionally, residents living in proximity to MCAS Cherry Point may hear the occasional explosion from Explosive Ordnance Disposal Marines conducting routine training.

Questions can be directed to Cherry Point's Communication Strategy and Operations Office at 252-466-4241 or cherrypoint@usmc.mil
