Cherry Point Notice of Training

MARINE CORPS AIR STATION CHERRY POINT, N.C. (Nov. 30, 2023) – Cherry Point units will participate in a large ground force exercise at Marine Corps Outlying Field Oak Grove from Dec. 1-12, 2023, and Marine Corps Outlying Field Atlantic from Dec. 4-8, 2023. Residents who live near the outlying fields can expect to see an increase in military vehicles and aviation activity during this timeframe.

Further, explosive ordnance disposal Marines may conduct explosives training on Marine Corps Air Station Cherry Point during the beginning of December. Residents who live on and around the installation can expect to hear the occasional loud explosion.

Questions can be directed to Cherry Point's Communication Strategy and Operations Office at 252-466-4241 or cherrypoint@usmc.mil
