

# PERSONAL PROPERTY QUICK REFERENCE GUIDE

This fact sheet applies to personal property shipments moving under the Defense Personal Property System (DPS) and Tender of Service (ToS). If you are moving under the Global Household Goods Contract (GHC), visit [MilitaryOneSource.mil/GHC](https://militaryonesource.mil/GHC) for similar program-related resources or contact your local transportation office for assistance.

MOVER RESPONSIBILITIES

## PREPARING FOR YOUR MOVE

- Contact you within three business days after shipment award to confirm your pickup date (or one business day for short notice shipments).
- Provide a point of contact to answer any questions regarding your move.
- Conduct a pre-move survey with you at least five days after shipment award but no later than nine days prior to the first scheduled pack or pickup date.

## YOUR MOVING DAYS

- Treat you, your home, and your belongings with respect.
- Arrive between 8 AM to 5 PM, and finish work by 9PM (unless you approve otherwise).
- Prepare an accurate, legible handwritten or electronic inventory of all your personal property including pro-gear and gun safes.
- Identify in writing your high-risk or high value items
- Disassemble items to ensure safe transport, except items like gym equipment and outdoor items, such as swing sets, other playground equipment, television and radio antennas, and similar articles.

## YOUR DELIVERY DAY

- Contact you at least 24 hours before arrival to confirm you can accept delivery. After two failed attempts, six hours apart to reach you, the mover will request the transportation office's approval to move your goods to temporary storage.
- Unpack all your items with one time placement; reassemble items that were disassembled at origin; and remove all packing materials on the day of delivery (unless you direct otherwise).
- Remove all packing materials from your residence once unpacking is completed.
- Use original inventory from origin to verify delivery at destination.

YOUR RESPONSIBILITIES

- Update your contact information in DPS.
- Ensure your residence or pickup location is clean and accessible.
- Set aside and secure anything you do not want packed.
- Disassemble outdoor equipment (swing sets, utility sheds, antennas, etc.); disconnect major appliances; ensure belongings are clean and dry; remove items from walls; remove property from storage/crawl space.
- Drain motorized equipment of all gasoline. Disconnect the battery and tape ends with electrical tape to prevent sparking.
- Take photos/videos of your goods as a record of everything you own and to provide evidence of condition and working status.
- Get appraisals on your high value items/antiques.
- Request for any special items you may need crated through your local TO.

- Keep all hand-carried items (car keys, jewelry, cash, cell phones, etc.) and documents containing personal information (ID cards, orders, move paperwork, passports, etc.) in a secure place, out-of-sight, so they don't get packed.
- Ensure the inventory form shows the true condition of all your goods and note inaccuracies on the form BEFORE signing.
- Verify inventory is correct BEFORE your goods are loaded on the truck or placed into wooden containers.
- Inspect every area (rooms, attic, basement, yard, etc.) BEFORE the truck leaves to ensure all items are packed and there is no damage to your home. If there's damage to your home ensure you document it on the Real Property Damage Form.

- BEFORE delivery day, ensure that a reweigh is conducted if you requested and/or qualify for a reweigh if your shipment is close to or over your max weight allowance.
- Check-off each tag number from your inventory list as each item is offloaded from the truck.
- Document with the moving company obvious loss or damage to your goods.
- Dispose of packing materials if you decline to have the movers unpack your goods.
- Report any loss or damage to the mover within 180 days of delivery in DPS for HHG or appropriate form for NTS and DPM shipments.

### ADDITIONAL TIPS:

- Please note NTS facilities are not climate controlled.
- Firearms manufactured after 1968 and without a serial number will not be packed in your personal property.
- Service members shipping an empty safe may receive up to 500 lbs. of credit depending on their weight entitlement.
- You may not ship or store firearms in a locked box or safe. Combination or keys must be provided.
- Remove all lithium batteries from electronic items. For more info see our [Lithium Battery fact sheet](#).
