

## MECHANICAL ROOMS

Are you creating  
your own  
storage spaces  
within your  
mechanical  
rooms? Are you  
aware of the  
potential  
hazards you are  
creating by  
using  
unauthorized  
storage spaces?

**BE AWARE: Mechanical rooms are NOT an authorized storage area and shall not be utilized as such. Ensure all personnel are aware of prohibited areas in their workspace.**

### References:

ASO 11000.8A Chapter 3 Section 12

Mechanical rooms/ communication closets. Equipment rooms located within buildings will be used by facilities directorate personnel and authorized contractors only. Equipment and controls located in these rooms are the responsibility of facilities directorate, and repairs or operations by others are prohibited.

Entrance to these rooms by others for any reason is prohibited, except for TISD personnel.
